

# Colour, say and write

Say it. Trace it. Try it. Colour or paint.

Make the letter

duck

Adult: Curve around the duck's body, travel up towards its head and draw the tall stroke down to the line.

Say the sound: Touch your tongue near the front of your upper mouth and release a quick d, as at the start of duck.

Trace it. Then try a few of your own.

Picture word: trace it if you like.

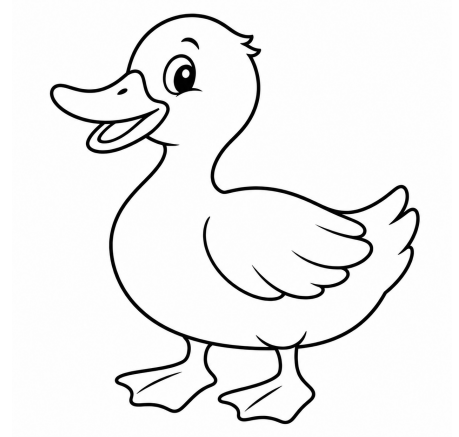

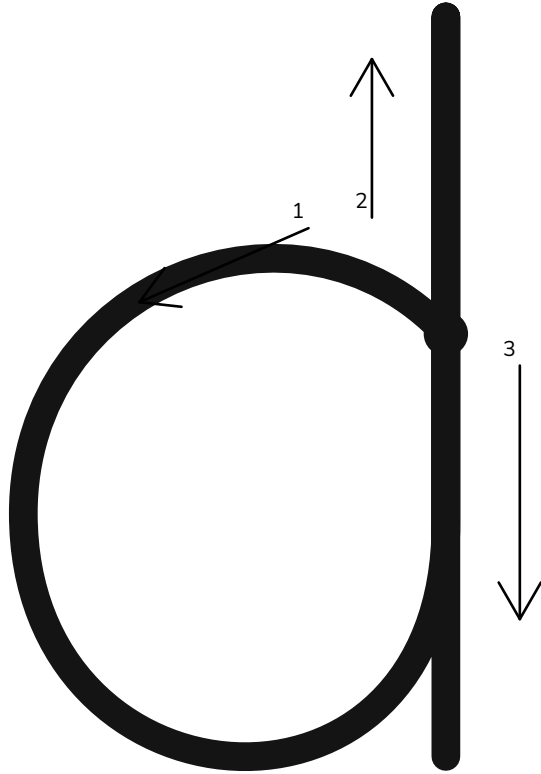

duck

Copy the word here if you want to.

# Large lowercase d

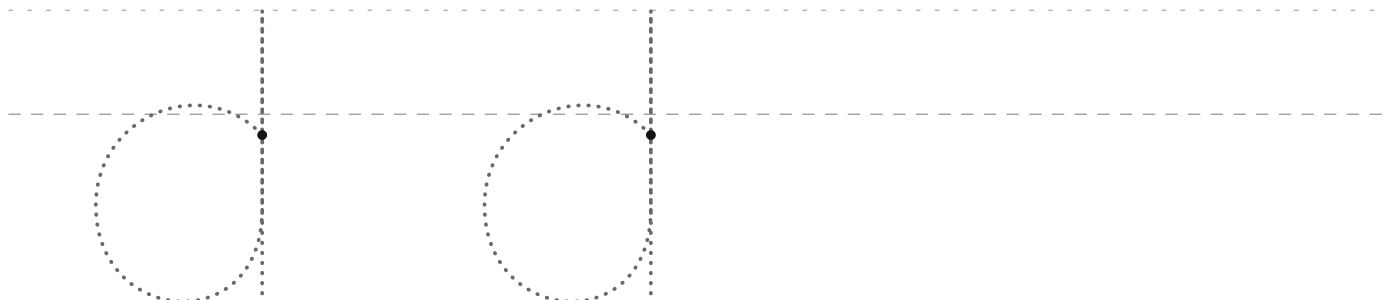

Follow the arrows with a finger. Trace d, then try it.

Start near the top right of the bowl. Curve around, travel up the tall stem on the right and come down to the line.

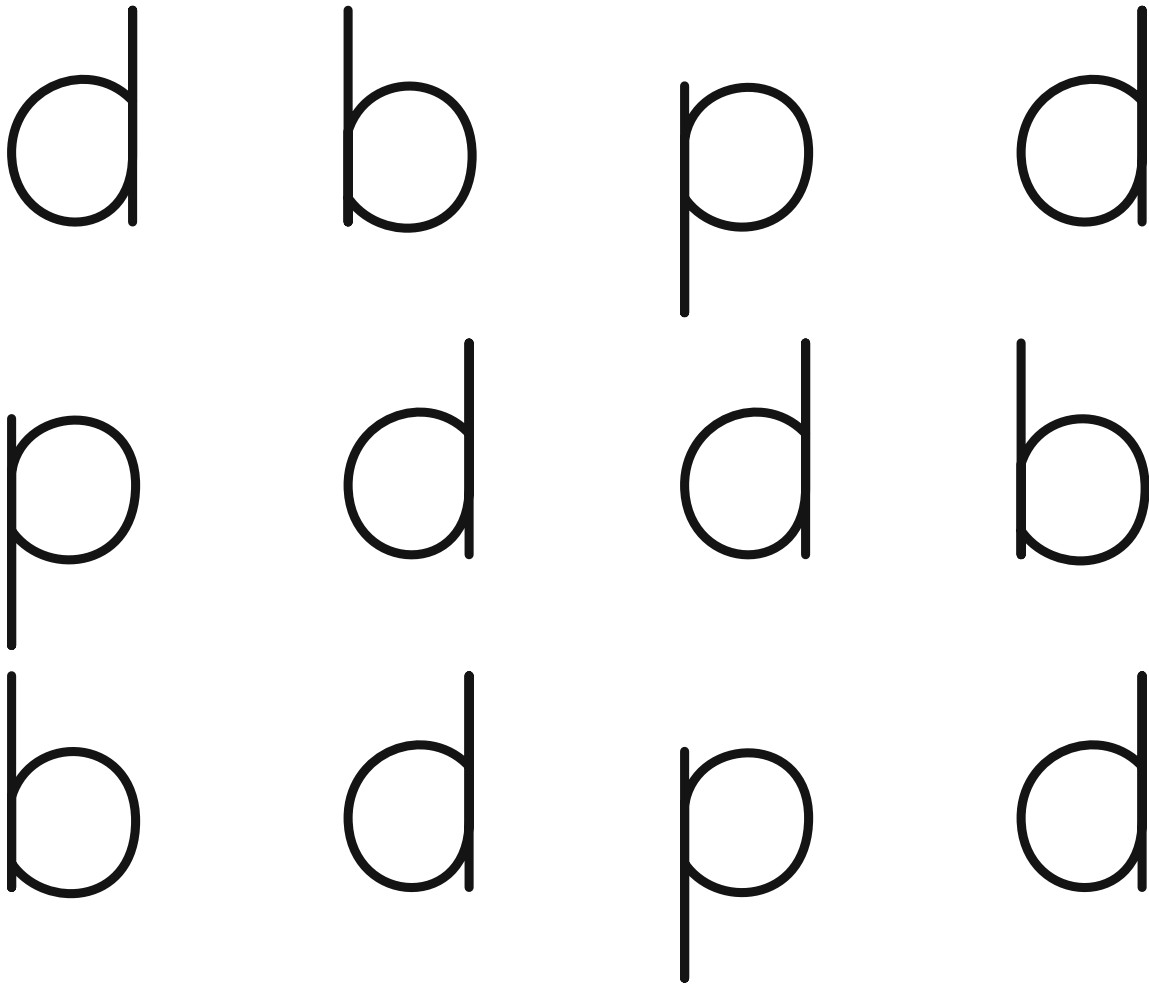

An adult can name the dog and dad, then say dig. Listen for the initial d in each word.

Trace it. Then try a few of your own.

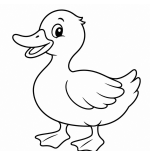

## Find lowercase d

Circle or colour each d. An adult can help name the letters.

d has a round bowl and a tall stem on the right. b has its tall stem on the left; p goes below the line.

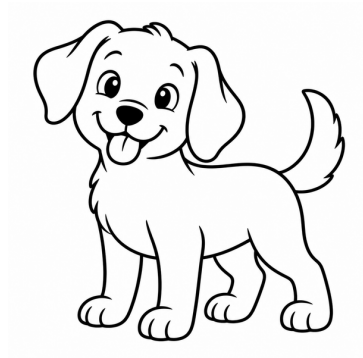

Trace it. Then try a few of your own.

## d in little words

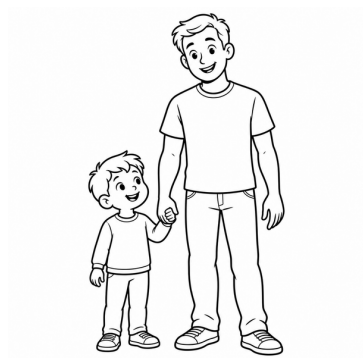

Say the words together. Trace or copy only if you like.

An adult can name the person dad. Say dog, dad and dig together. Find the INITIAL d; dad also ends with d.

dig

Tracing lines for the word 'dig'.

# Dog digging

Colour the picture. Trace d. Try a word if you like.

An adult can name the dog and dig. Listen for d at the start of both words.

Trace it. Then try a few of your own.

Optional: trace a word. Copy one if you like.
