

Colour, say and write

Say it. Trace it. Try it. Colour or paint.

Make the letter

net

Adult: Draw down, travel back up the stem and curve over the net before coming down again.

Say the sound: Place your tongue behind your upper teeth and hum the n sound at the start of net.

Trace it. Then try a few of your own.

Picture word: trace it if you like.

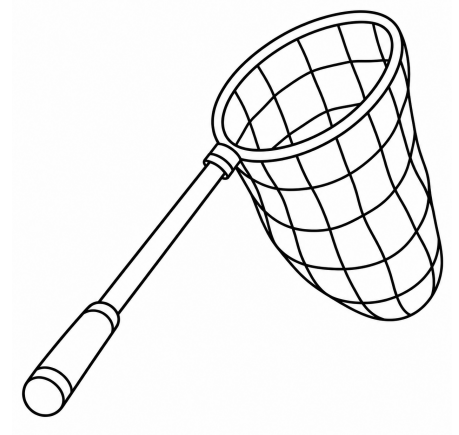

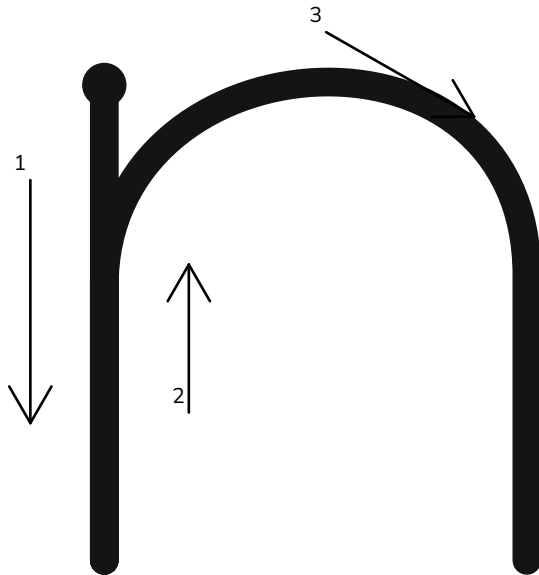

net

Copy the word here if you want to.

Large lowercase n

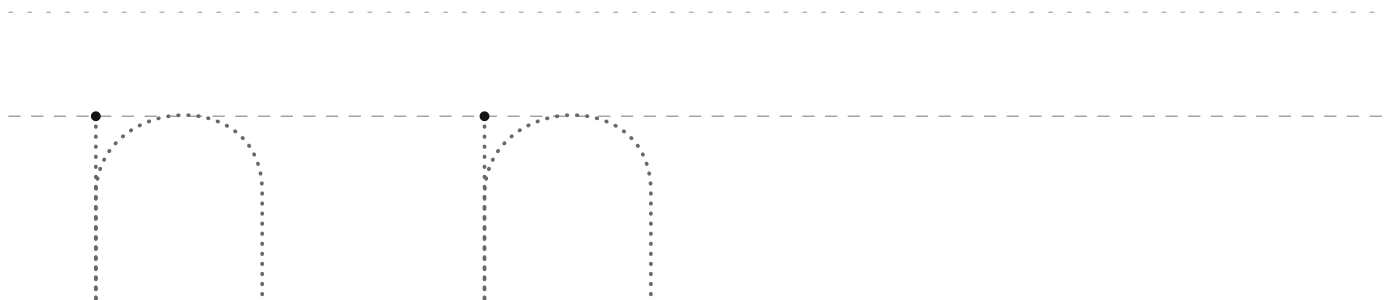

Follow the arrows with a finger. Trace n, then try it.

Start at the lower shoulder height and draw down. Travel back up, curve over one shoulder and come down again.

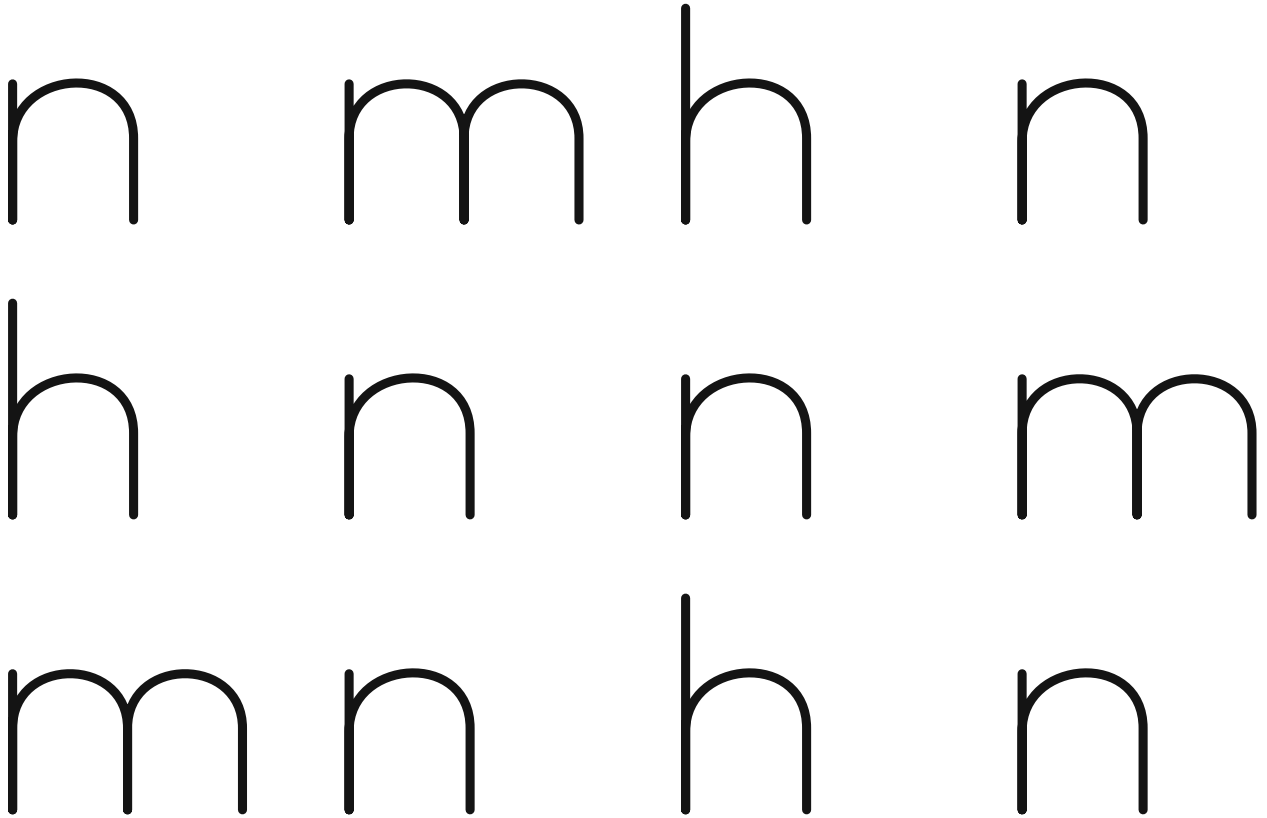

Say net, nap and nut together. Listen for initial n with your tongue behind your upper teeth.

Trace it. Then try a few of your own.

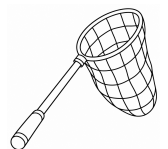

Find lowercase n

Circle or colour each n. An adult can name the letters.

n has one shoulder; m has two. h begins with a taller stem. Look at the starting height and find six n letters.

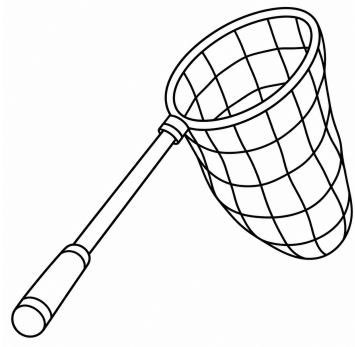

Trace it. Then try a few of your own.

n in little words

Say the words together. Trace or copy only if you like.

Adult: name the net, a child having a nap, and the acorn nut. Find the first n in each word.

Nut by a net

Colour the picture. Trace n. Try a word if you like.

An adult names the acorn as a nut and points to the net. Say nut and net together, then practise n if you like.

Trace it. Then try a few of your own.

Optional: trace a word. Copy one if you like.
