

Colour, say and write

Say it. Trace it. Try it. Colour or paint.

Make the letter

tiger

Adult: Start above the tiger's body and draw down. Lift your pencil and add the short line across its neck.
Say the sound: Touch your tongue just behind your upper teeth and release a short t, as at the start of tiger.

Trace it. Then try a few of your own.

Picture word: trace it if you like.

tiger

Copy the word here if you want to.
