

# Colour, say and write

Say it. Trace it. Try it. Colour or paint.

Make the letter

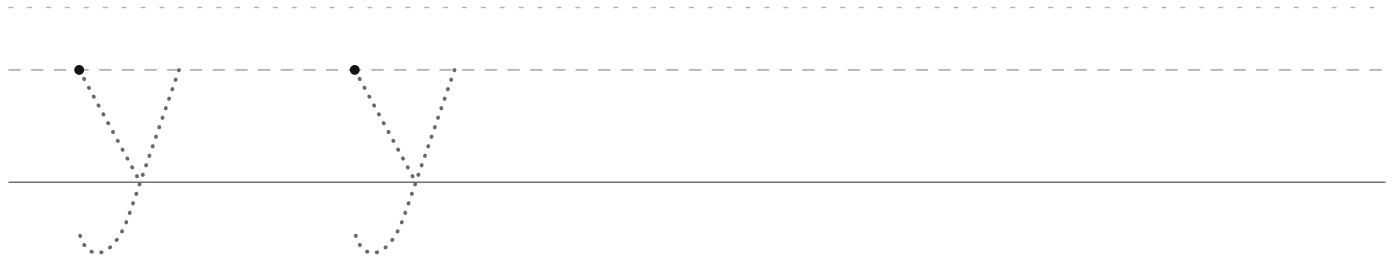

yak

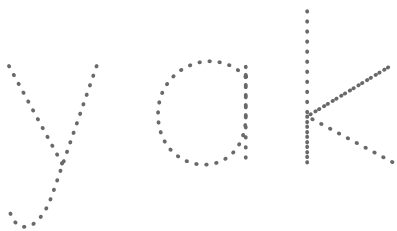

Adult: Slant down to the line. Lift, then slant down from the top right and curl below the line.

Say the sound: Say yak. Its first sound is y, as in yes.

Trace it. Then try a few of your own.

Picture word: trace it if you like.

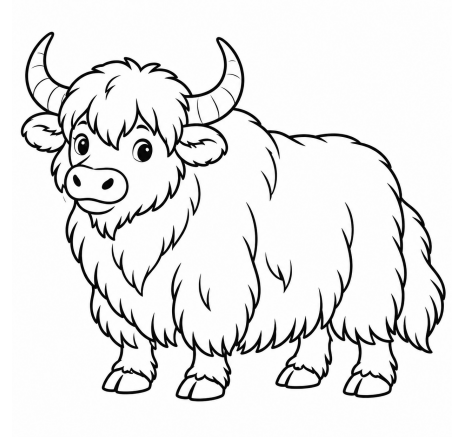

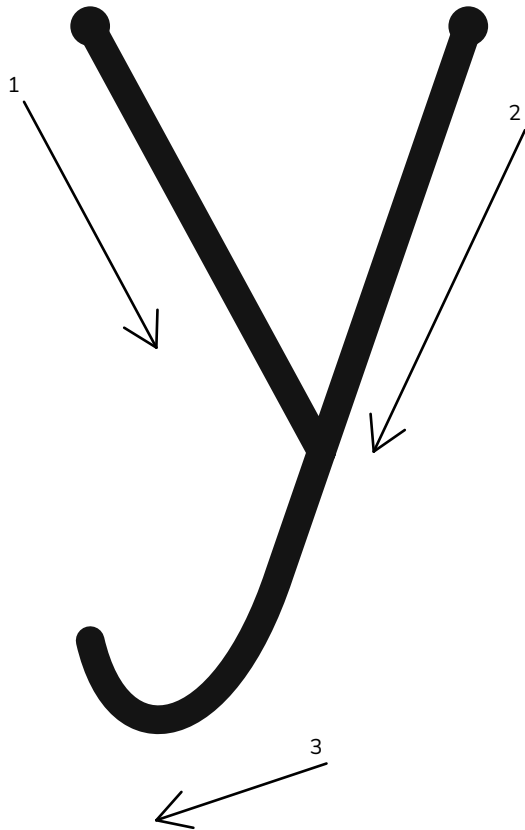

Copy the word here if you want to.

# Large lowercase y

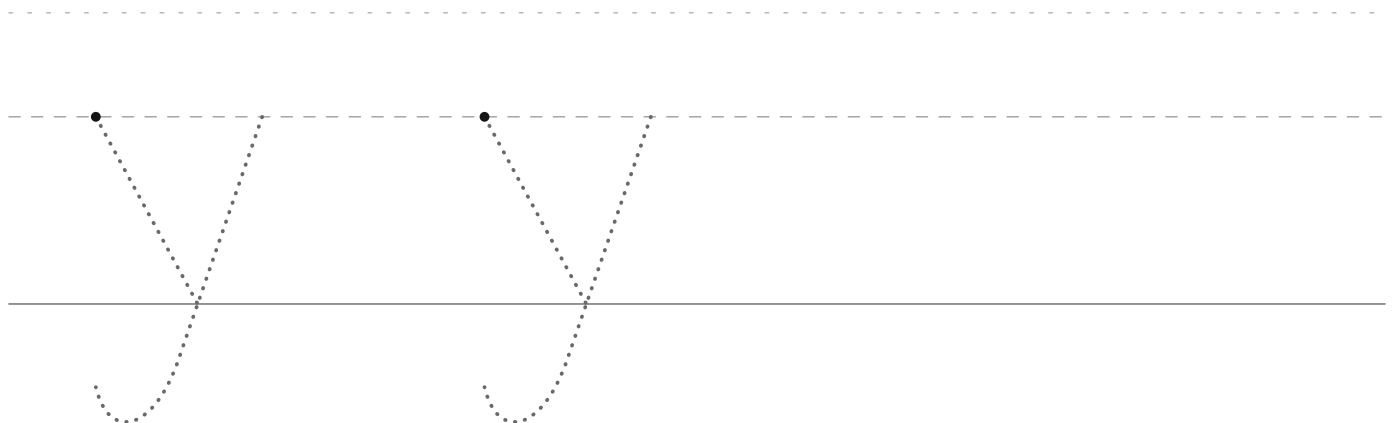

Follow the arrows with a finger. Trace y, then try it.

Start at the upper left and slant down to the line. Lift, then slant from upper right below the line and curl left.

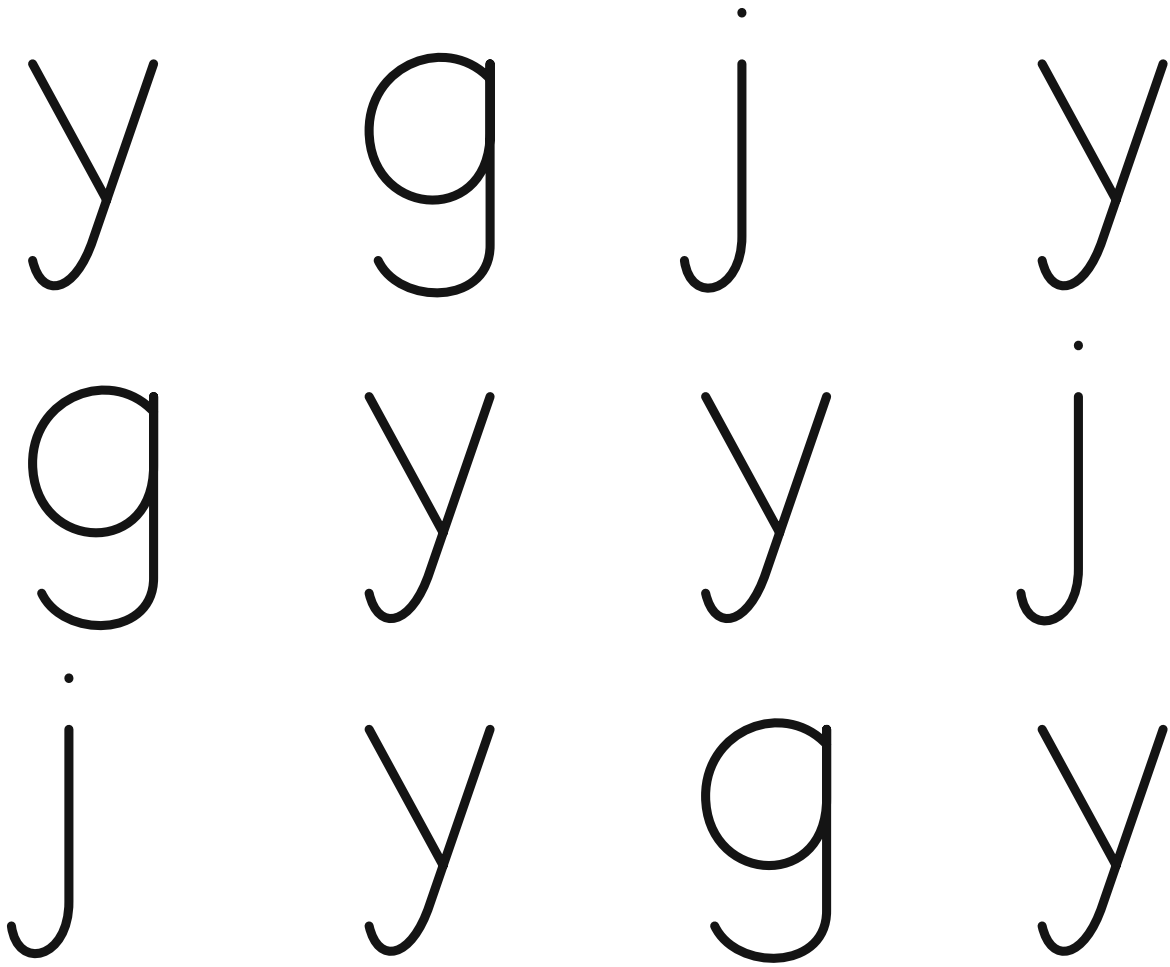

Say the consonant y at the beginning of yes, yak and yam. This is different from the vowel sound in my.

Trace it. Then try a few of your own.

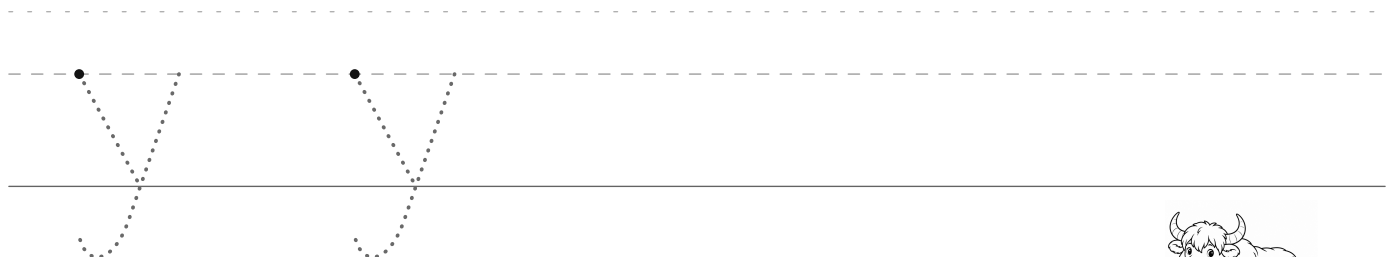

## Find lowercase y

Circle or colour each y. An adult can name the letters.

Start at the upper left and slant down to the line. Lift, then slant from upper right below the line and curl left.

Trace it. Then try a few of your own.

## y in little words

Say the words together. Trace or copy only if you like.

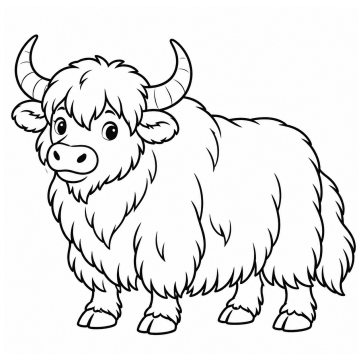

Say the consonant y at the beginning of yes, yak and yam. This is different from the vowel sound in my.
